

Homemade Pine Cleaner

Ingredients:

- 1 mason jar (quart-size)
- A handful of fresh pine needles
- 1 lemon, sliced
- White vinegar (enough to fill the jar)

Instructions:

1. Add pine needles and lemon slices to a clean mason jar.
2. Fill the jar with white vinegar until fully submerged.
3. Seal and store in a cool, dark place for 2–3 weeks.
4. Strain and pour into a spray bottle for use.
5. Store in a cool cabinet—lasts up to 6 months.
